

Executive Summary (2024)

Annual Widget Report 2025

This report summarizes the annual performance of the Widget division. It covers financial highlights, regional performance, market share, the product roadmap, and the outlook for 2026.

Financial Highlights

Quarterly revenue grew steadily through 2025, as shown below.

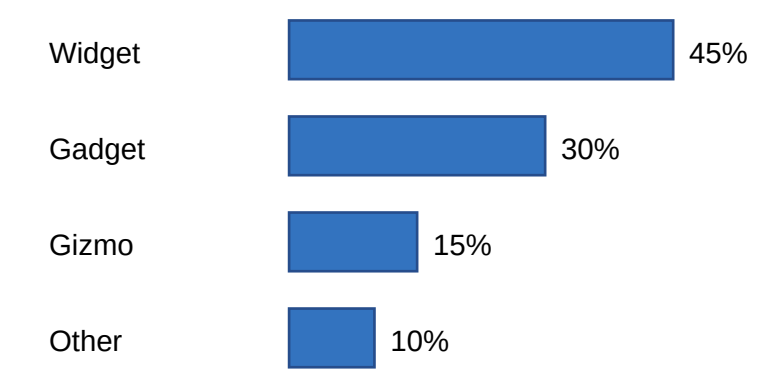

Quarter	Revenue (USD M)	Growth
Q1	10.8	+2%
Q2	11.2	+4%
Q3	11.9	+6%
Q4	12.6	+6%

Regional Performance

The North region contributed the largest share of revenue, followed by the East and South regions. The West region grew fastest year over year, driven by new distribution partners.

Market Share

Estimated 2025 market share by segment is shown in the chart.

Product Roadmap

Planned 2026 milestones:

- Widget Pro launch in Q1
- Expanded API access in Q2
- Regional data centers in Q3

Outlook and Conclusion

The division expects continued growth in 2026, supported by the product roadmap and stronger regional coverage. Risks include supply variability and competitive pricing pressure.
